Dear Sir:

Pursuant to the Office Action dated September 30, 1994, it is respectfully requested that the drawing of Figures 2, 3 and 5 of the above-referenced application be amended as indicated in red ink on the attached drawing sheets.

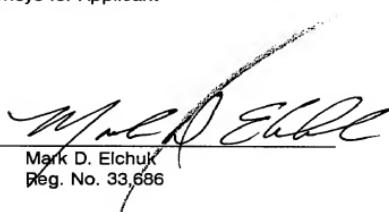

REMARKS

Minor amendments have been made to Figures 2, 3 and 5 of the drawings to add reference numerals which are mentioned in the specification, but which were inadvertently omitted in the informal drawings filed with the application, and to add a limited number of new reference numerals. No new matter is being added to the application at this time.

If the Examiner has any questions regarding these drawing amendments, he is respectfully requested to contact the undersigned at (810) 641-1600 at his very earliest convenience.

Respectfully submitted,
